

Manitoba Trucking Association's

Edward M. Ewanochko
Transportation Scholarship 2010

Drivers, dockworkers, dispatchers, sales people, accountants, mechanics, office personnel – they are a small example of the 28,000 people who, each day, contribute to a strong, efficient motor transportation industry in Manitoba.

Many of these individuals are or have dependants who are pursuing studies toward a higher education. The Edward M. Ewanochko Transportation Scholarship is an award of \$500 to a Manitoba Trucking Association (MTA) company member employee or employee's dependant to assist in the costs of post-secondary education.

The selection of the Scholarship recipient is based on a combination of academic achievement, community involvement and financial need.

The scholarship will provide financial assistance for students pursuing post-secondary education or training. Applicants can be attending or planning to attend university, college, apprenticeship, private vocational institute, distance learning, continuing education or private institute. The scholarship may be used to meet such expenses as tuition or books.

The Edward M. Ewanochko Transportation Scholarship was created in honour of Edward Ewanochko, a seminal figure in the development of transportation risk management programs in Manitoba, to promote professional growth within the truck transportation industry.
